

03/06/2019

Eatron Technologies Ltd. are looking for suppliers to carry out functional safety and systems engineering works based in UK, preferably near Warwick. We are tendering for quotes for the completion of the following:

- Level 2 ADAS Systems Engineering Support
- Functional Safety System Level Design for ADAS Level 2
- Functional Safety Concept Phase for ADAS Level 2

We expect to commence this project as soon as possible i.e. July 2019 with completion by December 2019 at the latest. Payments will be made in instalments as each phase of the project is completed as above. We will assess each bid for the tender in the following way:

- Price (40%)
- Timescales (40%)
- Experience/track record (20%)

If you are interested in tendering for this opportunity or would like to know more, please contact the team on info@eatron.com or give us a call on +44 (0) 1926 623039

This tender will be advertised for the next 14 days and the closing date is 19/06/2019 at 11:59pm

This tender award is subject to ERDF Grant Offer from CW Business Support Programme which will be part funded by the European Region Development Fund
